South Gloucestershire
Local Involvement Network

Have your say about Health
and Social Care services in
South Gloucestershire

Better Care for You

Some times the people who use health and social care services don't feel they have a strong enough voice to change aspects of the services. The introduction of South Gloucestershire Local Involvement Network (LINK) is part of a wider process to help individuals and communities to gain a stronger local voice.

Your comments and suggestions would be welcome or you can talk to someone about the LINK.

South Gloucestershire LINK can be contacted on:

T: 0117 9589351

M: 07896 918205

F: 0117 965 0200

E: infsouthglos@linksouthglos.org.uk

W: www.linksouthglos.org.uk

South Gloucestershire LINK has been set up to:

- Ask local people what they think about their local health and social care services
- Investigate specific issues of concern to the community
- Give local people a chance to influence how services are set up
- Use it's power to hold services to account and get results
- Ask for information and get an answer in a specified amount of time
- Be able to carry out spot checks to see if services are working well
- Make reports and recommendations and receive a response
- Refer issues to the local Health Select Overview and Scrutiny Committee or the Community Care and Housing Overview and Scrutiny Committee

If you are interested in taking part in the LINK or want to have a say in your health and social care please return this Freepost tear off slip
